

# Hispanic Day 2022

Spanish Day last year was a hit!

I hope you all are looking forward to this year's Hispanic Day Celebrations (including all Spanish speaking countries worldwide) on 16th May 2022!

On the day, you may wear Spanish flag colours/themed clothes or Hispanic themed clothes to school.

To our joy, there will be a Hispanic themed lunch again. You can look forward to ...

- Chicken Paella
- Vegetable Paella
- Spanish Omelette
- Patatas Bravas
- Summer Tomato Salad
- Pancakes with fruit or caramel sauce

## The Great Hispanic Bake Off!

You are also invited to take part in the 'Great Hispanic Bake Off' competition, also on 16th May 2022. Entries should either be linked / themed on a Hispanic country either by design/decoration or a traditional dish from the chosen country. This can be sweet or savoury - as you wish. 😊

Please see Google Classroom poster for ideas and info. Please bring entries to your classroom at morning drop-off and ensure all containers are clearly labelled with your name and class so they can be returned to their rightful owners. Also, please list the key ingredients for your dish so we can be mindful of allergies.

There will be one prize per class so you have a strong chance of winning!

If you have any questions about Hispanic Day, please ask your class teacher.

Muchas gracias,
